NICOR®

EXL2-SD

Self Diagnostic LED Edge Lit Exit Sign

The NICOR EXL2-SD Series offers self-diagnostic testing with ease of installation and dependability. This UL924 compliant sign is constructed with aluminum housing and clear single-faced or mirrored double-faced panels. High output LEDs and maintenance-free nickel-cadmium battery guarantees a long life. The EXL2-SD offers flexible installation for surface ceiling, wall, or end mount options along with field installed chevrons for universal configuration.
