Made in the USA with global materials.

PRODUCT SPECIFICATION –

Product Specification 1

Brand Name : Greenlee

Product Specification 2

Type : Hydraulic conduit bender

Product Specification 3

Application : Bend One-Shot bends in 2-1/2", 3", 3-1/2", and 4" EMT, IMC, and Rigid conduit

Product Specification 4

Capacity : 2-1/2", 3", 3-1/2", and 4" EMT, IMC, and Rigid conduit

Product Specification 5

Bending Angle : 0 to 90 degrees

Product Specification 6

Overall Length : 59
