Item # 701, HoldRite - 701

The HOLDRITE® LOCK-n-LOAD™ #701 is a clamp that mounts into our #103, #709, #110-R or #721 Series Bracket. This clamp requires no hardware to install and is designed to firmly grip fixture stub-outs such as bullets or similar 1/2" CTS tubing. The HOLDRITE LOCK-n-LOAD #701 is for use with PEXRITE Brackets only.
