# INDOOR DECORATIVE STATUE

**Please read this manual carefully before use and save it for future reference.**

Each statue is cast and hand-painted. Imperfections from the casting and hand-painting processes are normal. Pitting on the surface of the statue are caused by air bubbles becoming trapped when the casting materials are poured into the mould. Over time, paint finishes will gradually mellow in color; this is part of the natural aging process.

**LOCATION:** For indoor use only. Place the statue on a flat, level surface. Avoid high-traffic locations, such as areas where children or pets play.

**CLEANING:** Gently dust with a soft, dry cloth or a clean feather duster.

**Do not use harmful chemicals or abrasive materials to clean any part of this unit. Do not submerge the unit in water.**

**STORAGE:** Store in a cool, dry place that is out of direct sunlight. Covering while in storage is recommended to help prevent dust build-up.

## IMPORTANT INFORMATION

- This item is not a toy — for decorative purposes only!
- Do not use harsh chemicals or abrasive materials to clean the statue.

**Any modification to the product or failure to follow recommended care will void the product warranty.**
