

# Room Care R1 Plus

## Toilet Cleaner

RoomCare R1™/MC Plus is a concentrated cleaner for daily toilet bowl and urinal cleaning. Part of the globally available Diversey RoomCare™/MC system for guest room maintenance including chemicals, tools and methods.

Designed to be used with the J-Fill® dilution system and color-coded to prevent application mistakes.

### Features & Benefits

- Unique acid-based formula for improved performance
- Light and delicate fragrance that isn't overpowering
- Effectively removes stains and deposits from toilet bowls and urinals
- Extended contact time on vertical/sloped surfaces for optimum cleaning efficiency
- Neutralizes unpleasant odors and leaves a fresh scent

### Applications

- Use as a toilet bowl and urinal cleaner

# Room Care R1 Plus

Toilet Cleaner

## RoomCare™/MC Introduction

Superior formulation adapted to deal effectively with all the cleaning requirements of housekeeping. Easy to recognize product names, color-coding throughout the system, a set of dedicated tools, accessories and machines make RoomCare™/MC the perfect choice.

RoomCare™/MC range is the solution of choice when combining performance, safety for the user and environmental responsibility.

**R1 Plus Toilet Cleaner** is an acidic-based toilet bowl and urinal cleaner that removes stains and deposits from under the rim, water outlets, drain pipe openings, and anywhere where stains can build up. Appropriate for daily use.

## Use instructions

- Read and understand label and material safety data sheet (MSDS) before use.
- Fill small bottle using J-Fill® QuattroSelect Dispensing System. The system will automatically dispense at the required dilution.
- Flush toilet. Reduce water level with toilet brush.
- Apply to all porcelain surfaces. Cover all recesses and areas where stains can build up, under the rim, water outlets and drain pipe openings.
- Allow to stand for at least 60 seconds. For removal of heavier stains product can be left in bowl or urinal for up to 2 hours. Swab and flush rinse.

## Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
