

Hercules® for Hands™

Say Goodbye to Dirty “Plumber’s Hands”

Hercules® For Hands™ Hand Cleaning Towels require no water, scrubbing or rinsing, and they dry immediately with no residue. Towels are manufactured of high-strength, non-woven cloth saturated with a mild, but heavy duty cleaning liquid.

Specifically formulated for plumbers and ready-to-use, the towels remove industrial paints, lubricants, adhesives, tar, printer’s ink, sealants, grease, oil, grime, caulks, flux and other stubborn soils. They also soften and **remove plastic pipe cement**. Use them for any dirty job!

Hercules® For Hands™ towels are a safe alternative to products with harsh skin-drying solvents or abrasive particles. **They contain skin-conditioning aloe vera and vitamin E**. The 12" x 10" towels are rugged, and won't shred or leave residue on hands and can also be used to clean many other surfaces (see label precautions).

- Formulated for and preferred by plumbers
- Big enough to do the job right - 12" x 10" towels
- Contains no harsh solvents
- Can also be used to clean surfaces such as steel, aluminum, laminates, wood and others
- Will not leave scratches or marks on surfaces

Only From Hercules®

OILS AND LUBRICANTS

#30200 shown
