- Ideal for removing larger ball joints on press-fit ball joints found in pick-up trucks and SUV's.
- Service Toyota Tacoma, Tundra, Chevrolet 2500-3500, Tahoe, Ram 2500-3500, and Ford F350-F551.
- Our heavy duty ball joint press is compatible with most other brands of sleeve adapters.
- This C-frame can be used in conjunction with our W89304 or W89305 adapters, or other similar brands.
- Constructed of heavy-duty forged steel for strength and durability. Includes both long and short drive screws to maintain a shorter overall working length.
- XL C-frame has an 8.75 in. throat and 11.5 in. overall length.
