Care Instructions

This stainless steel top is made from high grade stainless steel on a strong wood product base construction.

To avoid scratching the top during assembly, do not remove the top from this carton until the body has been assembled and is ready for the top to be installed. After removing the top from this carton place it on a soft cloth.

This stainless steel top is ideal as a surface for food preparation but cannot be used as a cutting or chopping board. Do not use knives or any sharp objects directly on the top.

If scratched the following may improve the appearance of the top:
Apply talcum powder or flour on the scratched area and rub with very fine steel wool in the same direction as the top's hairline scratch pattern.

For assembly see instructions in 5100 Buffet carton.

IMPORTANT

Carefully remove all the parts from the carton and place them individually on a soft cloth to prevent scratches or other damage.

Carefully and strictly follow these assembly instructions to ensure a completed product as designed.

Do not use power tools above 8 volts to assemble.
