

# Hard Surface Sanitizer

A quaternary ammonium chloride-based, no-rinse sanitizer for three-compartment sinks and food contact surfaces.

#### Features & Benefits

- Suitable for use on soft and precious metals
- For use on chopping blocks, countertops, tables, glasses, dishes, and utensils

#### **Applications**

• No-rinse sanitizer for three-compartment sinks and food contact surfaces

# **Hard Surface Sanitizer**

# **Use instructions**

• It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

### Modes of Application

• This product can be applied by mop, sponge, cloth, paper towel or (hand pump) coarse trigger sprayer.

# Sanitizing Food Contact Surfaces

- Pre-flush, scrape or pre-soak articles to be washed.
- Wash areas or items to be sanitized with clean water and a recommended detergent.
- Rinse with potable water.
- Sanitize in a solution prepared by diluting 2 oz. Hard Surface Sanitizer per 3 ½ gallons of water (59.1 mL/13.2 L) to 200 ppm quaternary level. Immerse or wet all surfaces for at least 60 seconds (1 minute) or as required by local sanitation regulations. When solution depreciates or becomes soiled, discard. Test sanitizer solution periodically with a Quaternary Test Kit to ensure 200 ppm active quaternary.
- Drain and allow equipment or utensils to air dry.

Note: NO POTABLE WATER RINSING of equipment is required. Prepare a fresh solution daily or more frequently if soil is apparent.

## Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, http://naextranet.diversey.com/dot/, for up-to-date shipping information.
