## Adcraft Donut Frying Screen, 23" x 23", in Silver (DNS2323)

Ensure your donuts are fried to perfection with the Adcraft Donut Frying Screen. This nickel-plated commercial donut frying screen measures 23" x 23" with 1/4" mesh and is designed for use with large donut fryers. Ideal for holding donuts while they are submerged in hot oil during the frying process, this donut frying screen provides support for the donuts, preventing them from sticking to the bottom of the fryer and ensuring even cooking. The wire mesh design allows excess oil to drain.

Product Dimensions (inches / cm)
0.79" H x 23.03" W x 23.03" D
2.006cm H x 58.49 W x 58.49cm D

Product Weight (lb/kg)
3.85(lb)
1.74(kg)

Package Dimensions (inches/mm)

609.60 mm x 508.00 mm x 609.60 mm

Features

- Nickel plated donut frying screen
- For use with large donut fryers
- Measures 23" x 23" with 1/4" mesh
- Ideal for holding donuts while they are submerged in hot oil during the frying process
- Provides support for the donuts, preventing them from sticking to the bottom of the fryer and ensuring even cooking
- Wire mesh design allows excess oil to drain away from the donuts as they fry, resulting in donuts that are crispy and less greasy
- Screen design promotes even browning and frying on all sides of the donuts
- Helps increase production efficiency in your commercial kitchen by allowing you to fry multiple donuts at once
- After frying, donuts can be placed on the screens to cool and for easy glazing or adding toppings
