

RESOLVE® Oxi-Action™

In-Wash Laundry Stain Remover - Powder

Resolve® Oxi-Action Powder takes care of even the toughest clothing stains in every wash. With the power of Resolve® Oxi-Action Powder, you can pre-treat the stains you see and use as in-wash stain remover for the stains you miss. Whether it's spaghetti sauce, mustard, grass, ring around the collar, ink or wine, Resolve® can help. Use Resolve® with every wash load in either a Standard or HE washers to remove tough stains right in the wash.

Features & Benefits

- Amazing stain removal the first time.
- Noticeable difference in 30 seconds.
- Remove stains such as blueberry, coffee, grape juice, makeup, tea, vegetable oil & wine.

RESOLVE® Oxi-Action™

In-Wash Laundry Stain Remover - Powder

Use Instructions

Pre-Treat:

1. Dissolve 1/2 scoop of powder with 105ml of water and stir until mixed with a spoon or stick to ensure you get a smooth paste.
2. Apply mix to the surface of the entire stain.
3. Using the underside of the scoop, rub the mix into the stain for 30 seconds (up to a max of 5 minutes).
4. Wash the clothes as usual.

Washing Machine:

Add 1/2 scoop for small loads and 1-2 scoops for medium, large or heavily soiled loads.

For Standard Machines: Fill the washing machine with water. Then add powder along with your detergent to the wash water before adding clothes

For High Efficiency (HE) Machines: Add powder to the empty drum before adding clothes. Add detergent to its dispenser and start the wash. Do not mix powder with liquid HE detergent in the dispenser.

Wash as usual.
