

WORK LIGHTS

Introducing the new Woods Pro Work Lights! Woods offers you a wide array of portable lights for any job. All come with bright LEDs that shine at a Neutral white 4000K color temperature. These lights come in a variety of sizes and heights with single or dual head options. They also all come in hi-vis Woods orange with a rugged, die cast aluminum housing and heat sink. Their easy-to-adjust ratcheting head angle adjustment that does not slip over time make them the perfect work light for any job!
