## Dress up time!

To add the bell collar, wrap the ribbon around the kitten neck and stick the hook and loop pieces together.

Your kitten comes with a beautiful unicorn headband. Slide the headband over the kitten's ears so that the unicorn horn rests on its forehead.

To add the butterfly wings, slide the elastic band over the kitten's back legs so that the band is wrapped around the kitten's belly. Your butterfly caticorn is ready to fly!

## Ready to go!

Put your magical kitten in your pretty purse and you are ready to go. When you are not using the accessories, you can store them in the purse.

**Note:** If your kitten or accessories should become dirty, spot clean with a damp cloth. Machine washing is not recommended.
