

A

Screw

B

Legs

C

Lantern

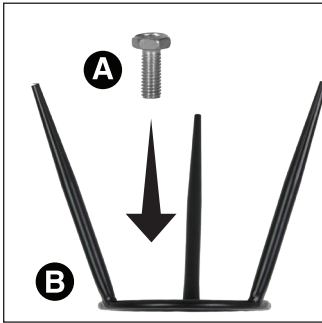

D

Planter

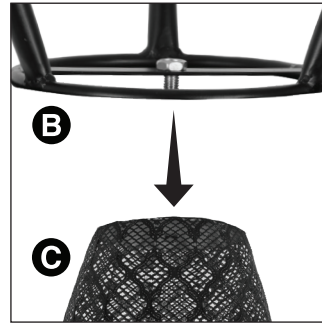

Step 1:

Attach screw (A) to legs (B) by inserting through opening.

Step 2:

Attach legs (B) (the result of step 1) to lantern (C) by screwing into opening underneath the lantern until firmly tightened.

Step 3:

Place planter (D) to lantern (C) (the result of step 2) on top of opening.
