ONE TAPE, ONE STEP SOLUTION

DOUBLE-SIDED POLY-HANGING CONTAINMENT TAPE

FrogTape® Double-Sided Poly-Hanging Containment Tape is a professional grade, two-tapes-in-one solution for creating high-performance containment systems

HOLDS STRONG

A heavy-duty, aggressive adhesive on the lined side securely holds poly-sheeting and other protective coverings.

SAVES TIME

50% faster compared to standard poly-hanging methods on average – and removes quickly and easily when the job is done.

RELEASES CLEAN

A premium grade painter's tape adhesive on the wall side allows for 21-day clean removal from a variety of surfaces, including painted walls, woodwork, glass, metal and vinyl, without damage.
