This is to certify that Fleetwood Notified Body did undertake the Module B type-examination procedure for the above-mentioned product in accordance with Annex V of Regulation 2016/425 on Personal Protective Equipment, as amended to apply in GB. The product has been assessed and found to be in compliance with the relevant requirements of technical specification EN ISO 12402-6:2020 (6.3 and 6.6) and EN ISO 12402-5:2020 as a level 50 user-assisted, pouch type inflatable buoyancy aid (manual only without cylinder seal indication).

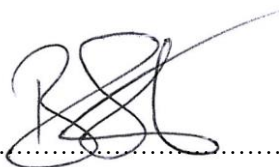

The product has been deemed to meet the essential health and safety requirements which are applicable to the PPE in accordance with Regulation 2016/425 (Annex II).

The manufacturer's technical documentation has been inspected and found to have addressed the requirements of Regulation 2016/425, Annex III. The manufacturer's instructions and information provided with the product has been inspected and found to have addressed the requirements of EN ISO 12402-6:2020 (6.3.3 and 6.6.2), EN ISO 12402-5:2020 and Annex II, Clause 1.4 of Regulation 2016/425.
