

70% Alcohol Surface Disinfectant

Liquid Surface Disinfectant

The 70% Alcohol Surface Disinfectant with 70% ethanol is great for daily cleaning of light contaminants from hard surfaces without the need to wipe or rinse. Great for products that are handled regularly. A convenient trigger sprayer with settings for stream or mist spraying is included with the 500 mL and 946 mL bottles. The stream setting is ideal for targeting specific hard to reach areas, while the mist setting is used to cover larger surfaces. Each leak-proof bottle is induction sealed, capped and shipped with a trigger sprayer to eliminate the occurrence of leakage during transportation.

Applications:

- For cleaning hard surfaces such as tables, chairs, desks, doorknobs/handles, faucets, light switches, elevator buttons, keyboards, telephones, pens, railings, PPE, steering wheel small appliances, point of sale terminals and floors.
- Ideal for manual cleaning applications.
- No rinse cleaning.
- Plastic safe.
- Water based solution with slower evaporation for longer contact time

Benefits:

- Contains 70% Food and Pharmaceutical Grade alcohol.
- Phosphate-free.
- Leaves a residue-free finish.
- Available in six different sizes.
- Lemon scented to leave surfaces smelling nice and fresh.
- Comes in a trigger sprayer format for easy and convenient use.

Information:

DIN: 02517426

For storage and handling information refer to the Safety Data Sheet (SDS)
