 Supports Joint Health & Comfort\*

- This comprehensive formula features white willow extract (*Salix alba*), devil's claw, Theracurmin curcumin extract, and boswellia extract (*Boswellia serrata*)
- Includes 30 mg of Theracurmin, the most bioavailable form of curcumin<sup>†</sup>\*
- Features InflammRelief, a source of antioxidants\*
- Helps support normal joint function, comfort, and health\*

**Code:** 9253

**Size:** 120 Vegetarian Capsules

**Actual Size:** 24.18 mm x 8.35 mm

### PRODUCT SUMMARY

Dolor Ease is a comprehensive formula providing well-known herbal extracts to support joint health and function.\* White willow bark (*Salix alba*) includes compounds such as salicin that help organize the body's response to cellular damage and support joint comfort.\*<sup>1</sup> Devil's claw (*Harpagophytum procumbens*) also contains compounds that help organize the body's response to cellular damage and help clear cellular debris normally produced by the body.\*<sup>2,3</sup> White willow bark and devil's claw may help support normal joint health, comfort, and function.\*

Theracurmin is a highly bioavailable form of curcumin<sup>†</sup>, a natural compound with antioxidant activity that may help organize the body's normal response to cellular damage and clear cellular debris normally produced by the body.\*<sup>4</sup> Standard curcumin is poorly absorbed, but Theracurmin is produced using innovative proprietary technology to create small curcumin particles that significantly increase bioavailability.\*

Dolor Ease also features InflammRelief, a source of antioxidants that may help protect cells and joint tissues against oxidative damage, as well as the plant extract boswellia (*Boswellia serrata*) to assist in the support and maintenance of normal joint health, comfort, and function.\*

<sup>†</sup>Scientific scrutiny revealed that Theracurmin was more bioavailable on a milligram-to-milligram basis than other leading<sup>‡</sup> enhanced and regular forms of curcumin.

<sup>‡</sup>As measured by SPINS 2014 data.

# Supplement Facts

Serving Size 2 Vegetarian Capsules  
 Servings Per Container 60

	Amount Per Serving	% Daily Value
