Time to Shrink, shrink, shrink

Now you are ready to bake the Shrink Fun™ in a toaster oven or conventional oven. Follow the directions below carefully. Let them shrink and lay flat. **If you remove them too soon, your Shrink Fun™ won't shrink!** Place them back in the oven until the shrinking process is complete.

1) Preheat the oven to 350° (175°C). Do not use the microwave.

2) Cover your baking tray with non-stick aluminum foil. Place your Shrink Fun™ designs on the tray with the colored side facing up. Be sure they are at least 3 inches from each other.

3) Bake for 1 to 3 minutes. Watch closely, baking times may vary depending on your oven. The Shrink Fun™ designs will begin to curl, move about and flatten.

Do not remove them until they are flat!

4) Keep the tray in the oven for about 20 more seconds, and then ask an adult to remove them and place them on a heat proof surface.

5) Allow the Shrink Fun™ designs to cool on the tray for 10 minutes. When they are cool enough to touch, use a spatula to lift them off.

Press and Play

Slide your Shrink Fun™ Fairies onto the foam stands. Add the other accessories to your playscape with the sticky foam.

Invite your friends over to play!
