

CRANE METAL STATUE

XCA-255

Read this manual carefully before use and save it for future reference.

Assemble components on a soft, clean surface to avoid scratching or damaging the finish.

Inspect packaging to ensure all parts are accounted for before disposing of packing materials.

No.	PARTS	QTY.
A	Body	1
B	Legs	1
C	Ground Stake	2

NOTE: This statue is hand-painted metal. Imperfections in the paint and some rust spots are a natural part of the manufacturing process and are not cause for return.

ASSEMBLY

1. Insert Legs (B) upward into the lower part of Body (A) and tighten the thumb screw on the leg of the body.
2. Place the statue on a flat, level surface.

CARE & MAINTENANCE

1. **Cleaning:** Use a soft, dry cloth to gently wipe away dirt and debris. For stuck-on dirt, dampen the cloth slightly and gently wipe soiled surfaces. Do not scrub, use cleaners or abrasive materials as doing so will damage the finish and void the product warranty.
2. **Sun Exposure:** As with any product, sun exposure will gradually fade and discolor finishes over time.
3. **Water Damage:** Water will cause natural erosion to the finish and structure of this unit. Damage and degradation resulting from exposure to water are not covered under the product warranty.
4. **Winter Care & Storage:** Store in a dry, indoor location. This item was not manufactured to withstand extreme temperatures. Improper storage that allows water to freeze on or within this product may cause damage.
