

CRC Industries NZ, Auckland NZ

## ***I. Product Description***

*CRC Paint Doctor* is the perfect solution to touch up isolated paint scratches, scuffs, road film and blemishes caused by supermarket trolleys, trees, keys, road works etc.

*CRC Paint Doctor* incorporates fine polishing compounds, premium Carnauba wax and superior fluids to remove the imperfections and safely restore a deep rich gloss to the treated area. It can also rejuvenate dull or faded paintwork.

*CRC Paint Doctor* is safe on clear coat finishes, easy to apply and won't dry out.

## ***II. Features & Benefits***

- Safe on all clear coat finishes
- Ideal for all auto paint surfaces
- Quickly & easily removes fine scratches, swirls, stains and blemishes.
- Rejuvenates dull or faded paint
- Restores a deep rich gloss to the treated area
- Easy to apply
- Convenient soft pack
- Contains Premium Carnauba Wax.
- Restores headlights

## ***III. Application and Directions***

- **DO NOT USE AS A POLISH** - For use on small areas only, not entire panels.
- Wash vehicle and chamois dry.
- Apply *CRC Paint Doctor* to the scuff or stain, testing on an inconspicuous area first.
- Using a soft, open weave cloth, apply to the vehicle using a continuous circular motion.
- Rub lightly into the surface to remove scuff marks, paint defects, oxidized paint, road film and scratches which have not gone through the undercoat.
- Repeat if necessary.
- Allow to dry to a light, powdery haze and then using a continuous circular motion, buff off with a soft clean cloth.

**Handy Hints:** Do not apply on hot surfaces, or in direct sunlight. To further protect and restore your vehicle use CRC quality vehicle grooming products.

## ***IV. Package Description***

Part Number	Size
9220	220ml Tottle

## ***V. Special Precautions***

### **First Aid:**

If in Eyes – Immediately hold the eyelids apart and flush the eye continuously for at least 15 minutes with fresh running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids.

Refer to Material Safety Data Sheet for more details.
