

SinkMizer™/MC

AG & SS Sink Filling Systems

Wall-mounted dispenser used to accurately dilute dish detergent and sanitizer into three compartment sinks.

- Helps ensure regulatory compliance with consistent, accurate dilution and dispensing of quaternary sanitizer at 200 ppm
- Reduces workplace hazards with safer, closed-loop packaging that reduces lifting weight and the need to move heavy buckets and pails
- Adds convenience of wall-mounted dispensing that removes risks of tripping
- Eliminates manual dilution of products and risk of chemical exposure with leak-proof J-Fill® Spill-Tite™/MC cartridges
- Removes opportunity for dilution ratio tampering with precise-dispense metering tip in each J-Fill® cartridge
- Lowers in-use cost with super-concentrated and hyper-concentrated chemical dilution
- Reduces handling fees, storage space and waste with less packaging use
- Simplifies training and use with easy-to-understand, color-coded hoses, buttons, chemical and labels

Description of Features

SinkMizer™/MC AG & SS Sink Filling Systems are wall-mounted, three compartment sink dispensers for filling ready-to-use dish detergent and sanitizer. The systems are designed to provide consistent, accurate dilution rates that aid in achieving regulatory compliance, ease of use and cost control. All water contact components are made with materials that are approved for potable water.

Technical data	SinkMizer™/MC AG	SinkMizer™/MC SS
Height	18.25 inch (46 cm)	10.5 inch (27 cm)
Width	9.5 inch (24 cm)	6.5 inch (17 cm)
Depth	5.75 inch (15 cm)	3 inch (8 cm)
Weight	13.5 lbs. (6 kg)	15 lbs. (7 kg)
Operating Range Requirements	Water Pressure: 30–85 PSI (200–500 kPa) Water Flow: > 2.0 gal. / min. (7.6 L / min.) Water Temperature: 50–122° F (10–50°C)	Water Pressure: 30–85 PSI (200–500 kPa) Water Flow: > 2.0 gal. / min. (7.6 L / min.) Water Temperature: 50–122° F (10–50°C)

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
