

The diagram illustrates a water pump system. A central pump is connected to two horizontal pipes. On the left, a vertical pipe rises and turns right. On the right, a vertical pipe rises and turns right, connected to a box labeled "Water". A flow arrow indicates movement from left to right between the horizontal pipes.

QUESTION

The diagram shows a vertical pipe with a pump at the top. A flow arrow points downwards from the pump.

ANSWER

The diagram shows a vertical pipe with a pump at the top. A flow arrow points downwards from the pump.
