

LYSOL®

NEUTRA AIR® FRESHMATIC® Automatic Air Freshener

The Lysol® NEUTRA AIR® FRESHMATIC® Automatic Air Freshener automatically sprays and removes even the toughest odors from your facility. Your staff and visitors will enjoy clean, fresh-smelling air every day with the Lysol® NEUTRA AIR® FRESHMATIC®. This automatic air freshener removes even the toughest lingering odors from bathrooms, food, smoke, and pets. Choose from three time settings to determine how often it sprays. Each refill contains 2,400 sprays for up to 60 days.* *Based on low setting

Features & Benefits

- Automatically releases bursts of fragrance with Freshmatic® dispensers
- Neutralizes odors & continuously freshens your facility
- Get the confidence of knowing that your facility is always welcoming & pleasurable for employees and customers
- Ideal for common areas, bathroom, hallways, kitchens & office

LYSOL®

NEUTRA AIR® FRESHMATIC® Automatic Air Freshener

Use Instructions

- To replace can with this refill, first turn your Lysol® Neutra Air Freshmatic Unit to the off position
- Discard the empty can and make sure that the red lever is pushed up
- Insert this refill with the nozzle facing outward per the picture on the right
- Turn the switch to your preferred time setting of 9, 18 or 36 minutes. The first spray will come after a 15 second delay. Keep unit directed away from your face at all times.
