

1. The shaft is supported by bearings.  
 2. The shaft is supported by bearings.  
 3. The shaft is supported by bearings.  
 4. The shaft is supported by bearings.  
 5. The shaft is supported by bearings.  
 6. The shaft is supported by bearings.  
 7. The shaft is supported by bearings.  
 8. The shaft is supported by bearings.  
 9. The shaft is supported by bearings.  
 10. The shaft is supported by bearings.

## QUESTION

1. The shaft is supported by bearings.  
 2. The shaft is supported by bearings.  
 3. The shaft is supported by bearings.  
 4. The shaft is supported by bearings.  
 5. The shaft is supported by bearings.  
 6. The shaft is supported by bearings.  
 7. The shaft is supported by bearings.  
 8. The shaft is supported by bearings.  
 9. The shaft is supported by bearings.  
 10. The shaft is supported by bearings.

1. The shaft is supported by bearings.  
 2. The shaft is supported by bearings.  
 3. The shaft is supported by bearings.  
 4. The shaft is supported by bearings.  
 5. The shaft is supported by bearings.  
 6. The shaft is supported by bearings.  
 7. The shaft is supported by bearings.  
 8. The shaft is supported by bearings.  
 9. The shaft is supported by bearings.  
 10. The shaft is supported by bearings.
