## SECURE MOBILE CHART RACKS

PrivacyLine™ mobile chart racks are smart solution for securely storing and transferring patient records in any healthcare facility. They feature HIPAA compliant locking doors for each shelf to securely hold any size chart binder or clipboard, and with optional dividers you can keep charts firmly in place and create sections/slots to optimize organization. These durable racks are made from heavy duty 18-gauge steel to withstand heavy use in the most demanding work environments.

### FEATURES:

- Locking doors available in both key & keypad styles
- Doors easily open upwards and slide back above shelves, taking up zero space
- Durable smooth-glide casters (2 w/ locks)
- Top shelf can be used as a work surface or to store an order rack
- Adjustable dividers for added security and organization, sold separately
- 3-year warranty, made in the USA of U.S. and imported parts

*Available in a variety of sizes  
(See reverse for details)*
