Product Name: 6.1 cu. ft. Freestanding Gas Range with Steam Cleaning

Long-Form Romance Copy: Our 6.1-cu. ft. Freestanding Gas Range offers both an expansive 4-burner cooktop and a spacious interior for preparing various dishes at once. An edge-to-edge oven window and a stainless-steel back guard give this range a sleek and modern look. Precise and intuitive heat controls allow you to go from rapid boiling to slow simmering in no time at all. Choose from the available cooking options – baking, broiling, or roasting – to get the best results for each dish. Select the preset steam cleaning cycle to effortlessly remove baked-on messes and debris. This range also features a control panel lock, which prevents accidental use and secures the oven door, to help keep you and your family safe. All of this is covered by a 2-year parts and labor warranty, double the industry standard, to provide you with even greater peace of mind.
