

## DYNACARE toothbrushes

Dynarex Toothbrushes feature soft bristles and multi-tuft heads for comfortable, effective cleaning. Made with durable plastic and flat handles, the toothbrushes offer a secure grip and enhanced control. Individually sealed in a clear poly bag, they're perfect for hospitals, long-term care facilities, and home use.

- Premium-quality toothbrushes crafted from durable plastic materials
- Soft bristles with multiple tuft heads provide comfortable, effective brushing
- Flat handles allow for steady grip and improved control
- Individually sealed in clear poly bag for optimal hygiene
- 4864: Convenient two-piece holder for easy storage and travel
- Ideal for use in hospitals, long-term care facilities, and at home
