

PAKKA™ CARGO CADDIE ORGANIZER TRAY

Looking for a way to maximize the storage space in your SUV or CUV? Look no further. This innovative product adds functional storage space and organization to the rear trunk area of your vehicle, making it the perfect solution for compact spaces.

PAKKA™ CARGO CADDIE ORGANIZER TRAY

LEVEL UP YOUR TRUNK

Durable construction

Crafted with a durable molded plastic tray, Pakka is built to last and can support up to 50 lbs. of cargo

Customizable storage

Adjustable height, vertical stacking and convenient adjustment straps, ensuring your items stay secure and organized during travel

Effortless setup

Enjoy hassle-free installation without the need for tools. When not in use, simply fold the Pakka cargo caddy to stow flat, saving valuable space

Additional Features

- Adds functional storage space and organization to rear trunk area
- Fits nearly all SUVs and CUVs on the road
- Ideal for compact cargo spaces where rear storage space is limited
- Perfect for groceries, coolers, sport equipment, gym bags and more
- Adjustable height to accommodate different size spaces
- Convenient straps allow for quick adjustment
- 2" high walls help hold items in place during travel
- Lightweight aluminum frame with durable molded plastic tray

Spacious & secure

With a generous tray size of 34" long x 14" wide, Pakka™ accommodates groceries, coolers, sports equipment and more, keeping everything in place with its 2" high walls

Part #	Outside Tray Dimensions		Inside Tray Dimensions		Capacity
	Length	Width	Length	Width	
18425	34"	14"	33-1/2"	13-1/2"	50 lbs.
