

TRVL918 Mobile Surge Protector

Offering computer and communication grade surge protection.

The CyberPower TRVL918 Travel Surge protector safeguards your laptop, PDAs, and other portable electronics while on the road with 3 outlets and 918 joules of protection. Two (2) USB charging ports are also included with the TRVL918 to charge your personal electronics, including smart phones, cellular phones, MP3 players, digital cameras, and other devices.

The compact design of the TRVL918 with its flip-out plug fits nicely into a laptop travel case or brief case and is ideal for business travelers and people on the go.

A Limited Lifetime Warranty ensures that this surge protector has passed our highest quality standards in design, assembly, material or workmanship and further protection is offered by a \$75,000 Connected Equipment Guarantee.
