

AIR WICK®

Scented Oil

Enhance your facility's scent with Air Wick® Scented Oil. It releases continuous fragrance so your facility always smells welcoming. Air Wick® Scented Oil Refills contain natural essential oils. Each Air Wick® refill provides up to 45 days* of continuously diffused and carefully blended fragrance throughout your offices, bathrooms, common areas or any space.

*Based on low setting.

Features & Benefits

- Refills deliver automatic and continuous fragrance for up to 60 days
- Delivers wide and elevated fragrance dispersion
- Eliminate odors and freshen indoor environments
- Fits all Air Wick Scented Oil Dispensers

AIR WICK®

Scented Oil

Use Instructions

Installation:

- Unscrew cap from fragrance bottle and insert into warmer until click can be heard.
- Plug upright into outlet. Rotate plug if needed. Unit will leak if plugged in sideways or upside down. When unplugged, keep unit upright.

Operation:

- Read the important safety instructions. Adjust fragrance intensity by rotating dial on top of warmer. Largest mark = max setting.

User-Maintenance:

- Fragrance oils may collect on warmer over time. To clean, remove from electrical outlet and wipe with dry cloth. Wash hands after handling.

Moving and Storage:

- Remove warmer with refill from wall outlet. Remove refill from warmer and screw cap onto fragrance bottle. Store warmer and refill in a dry location. Do not place fragrance oil bottle or cap on finished wood surfaces or place any object within 12 inches (30 cm) above warmer.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
