MOEN
SMART WATER NETWORK

SPECIFICATIONS

DESCRIPTION
- Moen Smart Leak Detector 6' Leak Sensing Cable.

OPERATION
- Extends the coverage of the Smart Water Detector (920-004). Sold separately.
- The entire length of this cable has moisture detection technology, maximizing the area you can detect and protect.

INSTALLATION NOTES
- Use this cable to fully cover the circumference of an area, such as around a water heater, along a leaky window, or under a sink
- The Cable has an open adapter at the end so that you can add the Remote Sensing Disc (comes with 920-004) or join up to three (3) additional Leak Sensing Cables for maximum protection against leaks and water damage.
- The Cable is 6ft. long, providing up to 18ft. of additional protection (if 3 are connected together).

STANDARDS
- Third party certified to meet Industry Canada RSS-210 IC ID: 25926-920004.
- FCC ID: 2AU5H-920004 to CFR 47 Part 15 Subpart C.

WARRANTY
- Moen® warrants that the product will be free from defects in materials and workmanship for a period of one (1) year from the date of delivery following the original retail purchase.
- Visit moen.com/customer-support/warranty for complete details and limitation.
