

Sensory Bin

#6283000
Age 3+

DINOSAUR DIG

Enjoy hours of imaginative play! Scoop, sort and explore the treasures inside your sensory bin.

CARE AND SAFETY

* Sand is Gluten Free

- The contents of this sensory bin have been tested to meet/exceed toy safety standards.
- Younger children should be supervised during play.
- Prepare the area under the bin with a towel or table cover to collect any spills.
- Children should wash their hands before and after use.
- Sand should be kept away from the eyes, nose and mouth. If contact should occur, rinse the area with water.
- Wet sand can be air dried as needed.
- Wash the accessories as needed with warm soapy water.
- Keep the sensory bin closed when not in use.
- Retain this information and phone numbers for future reference.

 **WARNING:**
CHOKING HAZARD - Small parts.
Not for Children under 3 years.

Assemble

Have an adult gently empty the bag of sand into the bottom of the bin. Spread sand out to cover the surface evenly. Open and arrange all other items in the bin.

Play!

Scoop, brush and learn while engaging your senses. Use the fossil brush and magnifying glass to uncover and examine the dinosaur skeletons.

Note to Parents - Using the tools are a fun way for your child to practice their fine motor skills and hand-eye coordination.

Fun things to try:

- Count the stones inside the bin.
- Name each dinosaur.
- Make up a story about your dinosaur adventure or your fossil dig.
- Call out the colors of each item.
- Memory game: Parents - hide some objects under the sand. Have your child guess what is missing.
- Close your eyes and grab an item from the bin. See if you can identify it using your sense of touch.
- Imagine you are walking with dinosaurs near a volcano; What sounds do you hear? Now use your nose; What can you smell?
