What is a Binder-Builder?

A Binder-Builder is a new name for an old concept! It is simply taking a 3-ring binder and colored cardstock and turning it into a wonderful showcase of your child's learning year!

How Do I Use it With *A History of Us*?

Along with this Binder-Builder, your child will need *A History of Us-The First Americans-The First Americans* by Joy Hakim. Just like *A History of Us*, this Binder-Builder is broken up into 39 chapters. Each page in this Binder-Builder will cover three chapters. By using the Binder-Builder along with *A History of Us-The First Americans*, your child will have a hands-on resource to record what he is learning while working through the book.

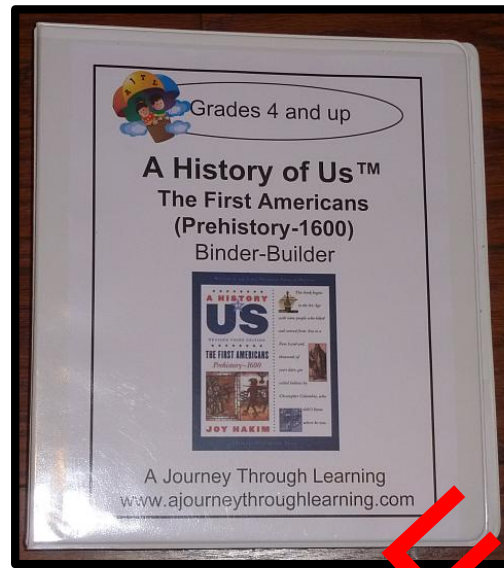

Feel free to tailor the booklets to your child. Some days you can simply draw instead of write. Or, find the information on the internet and glue it onto the booklet. The choice is YOURS!

How Do I Set Up My Binder-Builder?

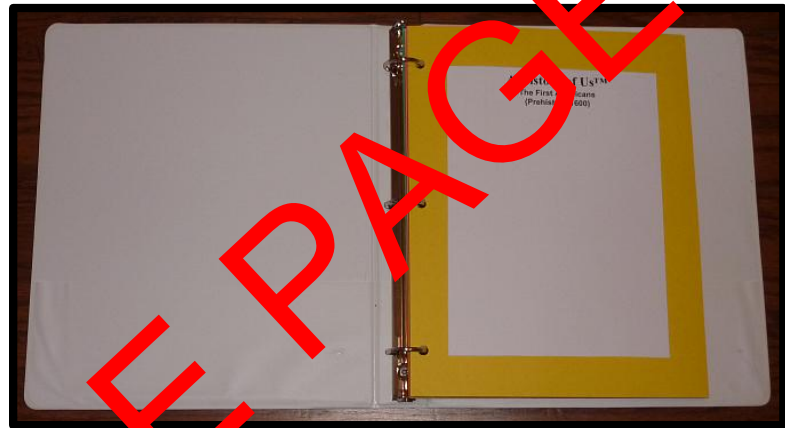

Gather your pieces of cardstock and 3-hole punch them. Next, in the lower right-hand corner number your cardstock from 1-14. Place in 3-ring binder. The front of the first page will have your cover sheet glued to it. Then, your **first** vocabulary sheet for chapters 1-3 will be glued to the **back** of that page. The **booklets** for the chapters 1-3 will then be glued to the **front** of your **second** page. This lay-out allows you to view everything for chapters 1-3 at the same time! You will follow this process throughout the entire binder-builder.

Located at the top right corner of each Binder Builder page, you will find the chapters covered for that page. Each page will also have directions for the construction of the mini-booklet and what your student should record in the mini-booklet after reading. A small key is also here to show where to glue each mini-booklet onto the card stock.

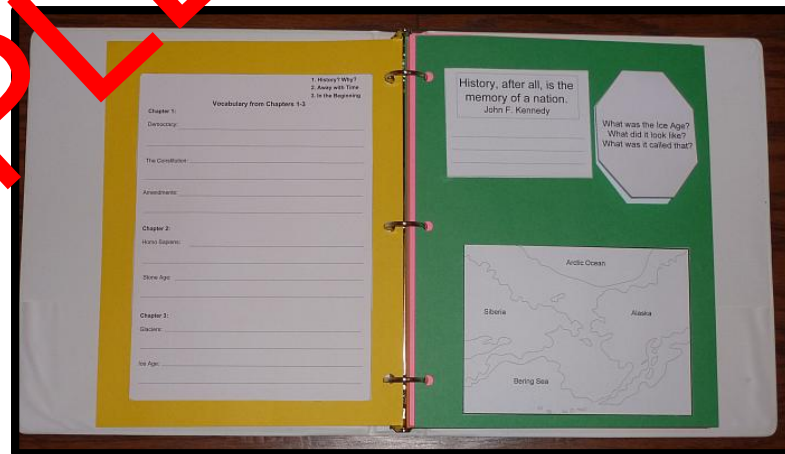

Front of Binder- Page slides down into front sleeve insert.
Not all binders have a front sleeve insert so this sheet is optional.

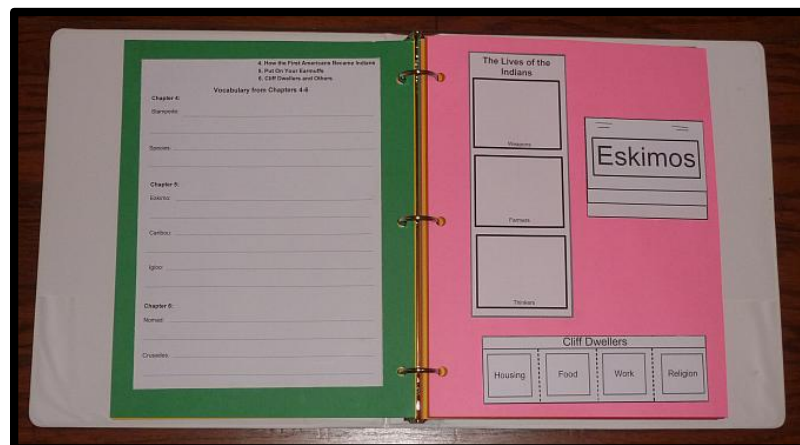

First page-This is the “cover sheet.”
See next page of Binder-Builder below.

Left side- Chapters 1-3 Vocabulary
Right Side- Chapters 1-3 Booklets
See next page of Binder-Builder below.

Left side- Chapters 4-6 Vocabulary
Right Side- Chapters 4-6 Booklets
Binder-Builder continues in this format until History of Us book is complete.

Cover Sheet. Cut out the cover sheet and glue to the first page of your Binder-Builder. Draw a picture of you and your time machine getting ready to travel!
