ElementAll™ Biological Diet

Nutritionally Complete Hypoallergenic Formula
100% Free Amino Acids · Pink Lemonade

- 100% of protein is supplied from free amino acids, particularly L-glutamine, a key fuel for intestinal cells*
- Includes easily assimilated and tolerated carbohydrates*
- Needs minimal digestive functionality for macronutrient breakdown*
- Includes all essential vitamins and minerals required for balanced nutrition
- Free of dairy, wheat, gluten, yeast, soy, egg, shellfish, and GMOs; free of artificial colors, preservatives, and sweeteners
- Excellent taste for improved adherence; available in Pink Lemonade and Chocolate flavors

PRODUCT SUMMARY

ElementAll Biological Diet is an elemental diet formula that includes comprehensive, balanced, and easily digestible nutrition to support gastrointestinal health.* Elemental diets are quickly assimilated in the upper gastric tract and have minimal digestive needs. The therapeutic efficacy of elemental diets has partly been attributed to the reduction of common allergens while providing nutrients requiring minimal digestion. This supports gastrointestinal mucosal health, normal intestinal permeability, and healthy lactulose/L-rhamnose permeability ratio.*¹ A full elemental diet may help support gastrointestinal health, while a half elemental diet may help maintain gastrointestinal health.*²⁻⁴

Elemental diets may support natural inflammation transition from acute to resolution state by supporting normal levels of NF-κB.*⁵ They may also favorably shift the type and amount of normal gut microbiota, particularly in regards to *Bacteroides fragilis*, helping organize the body's response to cellular debris to maintain healthy gastrointestinal mucosa.*^{6,7} Elemental diets may help support a healthy lactulose/L-rhamnose permeability ratio, normal lactulose levels in the breath, and healthy integrity of the intestinal mucosal lining.*⁸ Additionally, they may help organize the body's response to cellular debris in support of joint health as well as gastrointestinal health.*^{9,10}

ElementAll Biological Diet includes all the essential micro and macronutrients optimized for easy assimilation and is designed to be a source of comprehensive nutrition to support gastrointestinal health.*

Vitamin K2 (Menaquinone MK-7)	40 mcg	33%	L-Lysine	1,444 mg	**
Thiamin (Hydrochloride)	2 mg	167%	L-Phenylalanine	800 mg	**
Riboflavin (Riboflavin-5-Phosphate)	2 mg	154%	L-Threonine	800 mg	**
Niacin (Nicotinate Acid, Tryptophan)	16 mg	100%	L-Histidine	600 mg	**
Vitamin B6 (Pyridoxal-5-Phosphate)	2.6 mg	153%	L-Cysteine	556 mg	**
Folate (from (6S)-5-Methyltetrahydrofolic Acid (MTHF), Glucosamine Salt, Quatrefolic®, Folic Acid)	456 mcg DFE	114%	L-Methionine	480 mg	**
(268 mcg Folic Acid)			L-Tyrosine	450 mg	**
B12 (Methylcobalamin)	287.4 mcg	11,975%	L-Aspartic Acid	444 mg	**
Biotin	200 mcg	667%	L-Proline	444 mg	**
Pantothenic Acid (Calcium d-Pantothenate)	13 mg	260%	L-Tryptophan	180 mg	**
Choline (Citrate)	132 mg	24%	L-Serine	111 mg	**
Calcium (Phosphate, Glycerophosphate)	680 mg	52%	L-Alanine	111 mg	**
Iron (Ferrous Fumarate)	8 mg	44%	Glycine	111 mg	**
Phosphorus (Calcium Phosphate, Calcium Glycerophosphate)	280 mg	22%	Taurine	44 mg	**
Iodine (Potassium Iodide)	68 mcg	45%	L-Carnitine (Tartrate)	44 mg	**
			Boron (Sodium Borate)	1 mg	**

† Percent Daily Values are based on a 2,000 calorie diet.

** Daily Value not established.

‡ Contains 30.2 g free form amino acids per 146.8 g serving.

Other ingredients: Organic tapioca dextrose, organic tapioca maltodextrin, organic safflower oil, medium chain triglycerides (refined coconut), sunflower lecithin, natural flavor (lemon), silica, citric acid.

Serving Size: 4 Scoops (146.8 g)**Servings Per Container:** 9

Suggested Usage: Mix one serving (4 scoops) in 500 ml of water or as directed by your health care professional. You can adjust by adding more water if desired. Take 3 servings per day or as directed by your health care professional. 3 servings (12 scoops) provide 1,800 calories.

Caution: Keep out of reach of children.

Contraindications: Avoid if persistent nausea/vomiting and/or mechanical obstruction occurs. Safety during pregnancy/lactation is not established, and diabetics should monitor blood sugar closely.

Drug Interactions: May impair absorption of quinolones, e.g., ciprofloxacin.¹¹

Contains no artificial colors, preservatives, or sweeteners; no dairy, wheat, gluten, yeast, soy, egg, shellfish, or GMOs. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
