# CRD3N

## Effortless Fireplace Upgrade

The CRD3 retrofits into existing masonry fireplaces using the current chimney, making it a simple and cost-effective way to modernize any space.

## Efficient & Reliable Heat Even in Outages

Enjoy consistent warmth year-round as the CRD3 keeps heating your home even when the power goes out.

## Future-Ready Innovation

Launching in 2026, an optional hybrid gas and electric blower gives seasonal flexibility - save gas in Spring or Fall while maintaining full control over comfort and fuel use.

## FEATURES

- Maximized viewing area for a sleek, modern look
- Standard safety screen included
- Standard blower optional
- Realistic Split Oak log set included
- Designer accessories that provide a wide selection of style combinations
- Get up to 20% boost using combined gas and electric heat - up to 30,000 BTUs (coming soon)
- Sizes (width): 29"
- Millivolt 7-day ignition
- President's Limited Lifetime Warranty
