- 6 commercial quality outlets are copper coated with riveted construction that will not fail during prolonged 15 amp current draw and are spaced wide enough apart to accommodate multiple bulky adapters
- 2 LED lights put out a total of 1000 lumens of 6000K daylight, illuminating your work area and pivot downward, up to 90 degrees, to focus light onto your workbench
- 2x USB Charging ports provide 5v@2.4 amp on each (3.4A total max) with over current protection
- Upgraded unit includes a 5v@3A USB-C charging port
- Built-in cradle for your cell phone or tablet keeps them out of the way while charging but still visible to check on messages while you work
- The heavy duty 19-gauge steel case is powder coated and can be either wall-mounted or used as a standalone work light / power strip
- 6 ft - 14/3 AWG cord has heavy rubber coating and grounded 3 prong plug for safety, durability, and long service life
- Specifications - Voltage: 125VAC/60Hz@ 15A (1850 watts), Dimensions: 27.75 x 4.75 x 2 in Deep, Weight: 5.75 pounds, cULus listed: E511046
