

FEATURES & SPECIFICATIONS

INTENDED USE

The LED Flush Mount Hangers enable a variety of compatible flush mount fixtures to be suspended from the ceiling for a more architectural look.

See fixture [compatibility chart](#).

CONSTRUCTION

CAHL6

The canopy hanger comes in brushed nickel, bronze, and white finishes and extends 6" from the ceiling.

3SHL6

The 3-stem hanger comes in brushed nickel, bronze, and white finishes and extends 6" from the ceiling.

1SHL40

The single-stem hanger comes in brushed nickel, bronze, and white finishes. It includes a top and bottom canopy and multiple 6" and 12" stem lengths to allow for 4", 10", 16", 22", 28", 34", and 40" extensions from the ceiling. Integrated sloped ceiling adapter angles up to 90 degrees.

3CHL72

The 3-cable hanger comes in brushed nickel, bronze, and white canopy finishes. The aircraft cables are adjustable from 5" to 72" and come in silver (brushed nickel and white canopies) and bronze (bronze canopies) finishes.

INSTALLATION

All mounting hardware included.

WARRANTY

5-year limited warranty. Complete warranty terms located at

www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx

NOTE: Actual performance may differ as a result of end-user environment and application.

Specifications subject to change without notice.
