# Follow the steps below to decorate the Stickers, Unicorn, and Mermaid Pearl Pals.

## Decorate

The Pearl Pals are double-sided.

Remove the adhesive on one side first.

Peel the film off the putty and twist the top of the stylus to fill. Pick up bubble gems with the stylus and place them on the adhesive dots. Refill your stylus with more putty as needed.

When you've finished one side, complete the other.

Add the clear stand as shown.

## Stickers

Now use the same technique to complete the stickers. When finished, place them on the backpacks.

## Backpacks

- Decorate the backpacks with the pom-poms. Place the loops of the pom-poms through the backpack keychain.
- Remove the stands and place the Pearl Pals inside the pocket of the backpacks. Place the stand inside for safe keeping.
- Attach Bubble Gems Backpack Keychains by opening the clip. Now you can carry your Pearl Pals with you wherever you go!
