

Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

Use 2 oz. of ENZYME PRESOAK POWDER per 5 gallons of warm water (not over 160 °F). For heavier soil loads, increase use amount to 4 oz. of ENZYME PRESOAK POWDER per 5 gallons of water. Allow to soak. White fabrics may soak overnight. Colored fabrics allow 1-2 hours. After soaking, launder as usual. PRECAUTION: For colored fabric or unknown fiber content, test on hidden area prior to use.

Enzyme Presoak Powder is a concentrated laundry presoak. Enzymes aid in the removal of stubborn grease and dirt stains. Color safe bleach brightens the linen and removes organic stains. Begins the break down of stain before laundering. Effective on a broad spectrum of stains. For institutional laundry use only.

Features & Benefits

Removes organic stains.

Color safe.

Enzyme activated.

Item Number & Unit of Measure

Item Number	HIL0150386
Unit of Measure	10 lb Bottle

Specifications

Color	White
Dye Free	Yes
Appearance	Powder
Fragrance-Free	Yes
Fragrance	No Added Odor
Formula Type	Powder
Dilution Ratio	30 OZ/50#
PH	1% 10.5 - 11.1
Non-Volatile Matter	NA
