

## **INSTRUCTIONS**

Follow the procedures below to match the hour strike count with the position of the hour hand.

### **REPLACING BATTERIES** (follow steps in order)

1. Remove both batteries.
2. Using the handset knob, set the hands to 5:50. AM or PM not important until Step 4.
3. Install alkaline batteries.
4. Using the handset knob, rotate hands forward (clockwise) from 5:50AM to the current time.

### **DAYLIGHT SAVINGS TIME CHANGE**

SPRING: Rotate hands forward (clockwise) one hour.

FALL: Follow the 4-step instructions above for REPLACING BATTERIES.

### **HOUR STRIKE COUNT DOES NOT MATCH THE HOUR HAND POSITION**

Follow the 4-step instructions above for REPLACING BATTERIES.

**HOWARD  MILLER**
