RESOLVE® Clean & Fresh™

Carpet Cleaner - Powder

Use Instructions

1. Shake container vigorously before each use to maximize product coverage
2. Sprinkle powder on generously to thoroughly cover soiled areas. Apply to no more than a 0.61 m x 1.5 m (2 ft x 5 ft) area at a time to prevent moist powder from drying out.
3. Using a soft bristle brush, immediately brush the powder thoroughly into carpet. Brush until all soil disappears.
IMPORTANT: While cleaning, if soil/stain remain, apply more powder and continue brushing until soiled areas look as clean as rest of carpet.
4. Wait at least 20 minutes for powder to dry, then vacuum. Use an empty vacuum bag for best results.
5. To store, replace cap tightly. After use, rinse brush and allow to dry.

For best results follow the instructions on the package
