

End Bac[®] II

Spray Disinfectant

A quaternary-based aerosol germicide for disinfecting and deodorizing pre-cleaned surfaces.

Features & Benefits

- Kills gram positive and gram negative bacteria. Ideal for locker rooms, shower stalls, floors and benches.
- Kills *Staphylococcus aureus*, and *Pseudomonas aeruginosa*, and *Streptococcus hemolyticus* on hard, non-porous environmental surfaces. Eliminates odors at their source, does not just mask odors.
- Controls the growth of fungus, mold and mildew on hard non-porous environmental surfaces

Applications

- For use in hospital rooms, sick rooms, doctor examining rooms, bathroom and locker room facilities on hard, nonporous environmental surfaces

End Bac[®] II

Spray Disinfectant

Color/Form	Colorless, aerosol
pH	11.3
Scent	Fresh
Shelf Life	2 Year

Product	Pack size	Dilution	Product code
End Bac [®] II	12 x 15 oz. / 425 g Aerosol Cans	Ready-to-use	04832. 

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
