

BATTERY OPERATED TRANSFER PUMP

Item Number W54172

OWNER'S MANUAL

▲WARNING

It is the owner and/or operators' responsibility to study all WARNINGS, operating, and maintenance instructions contained on the product label and instruction manual prior to operation of this product. The owner/operator shall retain product instructions for future reference.

The owner and/or operator are responsible for maintenance, maintaining all decals or warning labels and while in use, maintaining the unit in good working order. If the owner and/or operator are not fluent in English, the product warnings and instructions shall be read and discussed with the operators' native language by the purchaser/owner or his designee. Make sure that the operator comprehends its contents. Safety information shall be emphasized and understood prior to usage. The product shall be inspected per the operating instructions.

Users of this product must fully understand these instructions. Each person operating this product must also be of sound mind and body and must not be under the influence of any substance that might impair their vision, dexterity or judgment.

Protect yourself and others by observing all safety information.

Failure to comply with instructions could result in personal injury and/or property damage!

If you encounter any problems or difficulties, please contact our customer service department at: 1-800-426-1262 between 6:30 a.m. and 4:30 p.m. Pacific time.

On occasion, after printing of our literature is completed, our manufacturers may make changes and/or modifications to merchandise which will not be reflected in this manual. Although we strive to maintain complete and accurate information, it is possible in some instances, that the product may differ slightly from printed specifications. Illustrations are intended for reference only. Actual merchandise may vary. Wilmar is not responsible for typographical errors.

PT[®]
Performance Tool

Please read these instructions carefully and retain them for future use.

Performance Tool[®]

GENERAL INFORMATION

Used to safely transfer liquids around the farm, shop, or home, ideal if power is unavailable.

Is capable of pumping 3.5 gpm and over 1000 gallons on a single set of batteries.

Extremely simple to use for transferring; gasoline, kerosene, heating oil, diesel, water (not drinking water), non-corrosive cleaning solvents, and much more.

Requires two D Cell batteries (not included).

Weighs only 7.2oz.

1/2 inch discharge tube 24 inches long.

IMPORTANT SAFETY INFORMATION

CAUTION:

1. Do not operate pump near an open flame while pumping flammable liquids.
2. Never run pump dry, the impeller end should always be submersed when in use.
3. Pump should always be kept upright when in use.
4. Never put the pump assembly further than the discharge hose. The battery compartment and motor should never get submersed.

If pumping flammable liquids, fuels, heating oils: The pickup tube/pump body connection must be inside the container the fuel is coming from as the pump is designed to seep at that joint.

5. Rinse with water after use, let dry completely.

BATTERY:

1. Use only like batteries, do not mix alkaline with standard or rechargeable.
2. Do not mix an old with a new battery, always replace with two new D cells.
3. Never store the pump with batteries inside, remove after use.

INSTRUCTIONS

1. Insert 2 D cell batteries (not included), follow the directions in regards to polarity (+ -). The positive ends should go in first towards the output hose. Reinstall switch end cap.
2. Immerse the impeller or suction end of the pump into the liquid you're pumping from.
3. Insert the discharge hose into the receiving container, this is where you're pumping into.
4. Press the switch to the on position. The switch is located on the battery end cap.
5. Fill your receiving container to the desired level, be cautious not to overfill.
6. Press the switch to the off position when complete.

1 YEAR LIMITED WARRANTY

PERFORMANCE TOOL® extends only the following warranties, and only to original retail purchasers. These warranties give specific legal rights. Except where prohibited by local law, the law of the State of Washington governs all warranties and all exclusions and limitations of warranties and remedies. There may be other rights which vary from state to state.

PERFORMANCE TOOL® warrants the product to be free from defects in materials and workmanship under normal use and service. A defective product may be returned for a free replacement within 90 days from the date of purchase, provided that product is returned to place of purchase immediately after discovery of defect. After 90 days and up to one year from date of purchase, PERFORMANCE TOOL® will replace at no charge any parts which our examination shall disclose to be defective and under warranty. These warranties shall be valid only when a sales receipt showing the date of purchase accompanies the defective product or defective part(s) being returned. For part(s) after 90 days, please remit your request, postage prepaid to:

PERFORMANCE TOOL, P.O. Box 88259 Tukwila, WA 98138

These warranties exclude blades, bits, punches, dies, bulbs, fuses, hoses, and other consumables which must be replaced under normal use and service. These warranties shall not apply to any product or part which is used for a purpose for which it is not designed, or which has been repaired or altered in any way so as to affect adversely its performance or reliability, nor shall these warranties apply to any product or part which has been subject to misuse, neglect, accident or wear and tear incident to normal use and service.

PERFORMANCE TOOL® does not authorize any other person to make any warranty or to assume any liability in connection with its products.

Except for warranties of title and the limited express warranties set forth above, PERFORMANCE TOOL® makes no express or implied warranties of any kind with respect to its products. In particular, PERFORMANCE TOOL® makes no implied warranty of merchantability and no implied warranty of fitness for any particular purpose, except that for goods purchased primarily for personal, family or household use and not for commercial or business use, PERFORMANCE TOOL® makes an implied warranty of merchantability (and, if otherwise applicable, an implied warranty of fitness for a particular purpose), but only for the particular qualities or characteristics, and for the duration, expressly warranted above. The laws on limitation of implied warranties may differ from state to state, so the above limitations may not apply in all cases.

PERFORMANCE TOOL® shall not be liable for consequential, incidental or special damages resulting from or in any manner related to any product, or to the design, use, or any inability to use the product. The sole and exclusive remedy for a defective product or part shall be the repair, or replacement thereof as provided above. The laws on limitation of remedies or on consequential, incidental or special damages may vary from state to state, so the above limitations may not apply in all cases.
