

# EP88 Caprice™

## Neutralizer and Salt Remover for Floors and Carpets

EP88 Caprice™ Neutralizer and Salt Remover for Floors and Carpets removes hard water deposits and neutralizes alkaline residue on synthetic and wool carpets.

### Features & Benefits

- Effective removal of hard water deposits and neutralizes residue from previous cleanings
- Makes salt residue more soluble, meaning less passes to remove winter salt, leaving no tacky residue
- Versatile formula strong enough for advanced generation carpet fibers at low dilution, yet delicate enough for wool carpets at high dilution
- Slightly acidic product keeps extractor jets from clogging

### Applications

- For use as a powerful rinse aid
- Safe to use on all colorfast carpets
