

CRC Industries NZ, Auckland NZ

I. Product Description

CRC Metal Doctor is a quality metal polish that quickly and easily cleans, polishes and protects a variety of metals. It ensures intensive yet gentle cleaning, safely removing oxidation, corrosion, tarnishes, stains and rust. **CRC Metal Doctor** provides long lasting, brilliant shine and superior weather protection. Regular use can prevent future tarnish and corrosion.

CRC Metal Doctor provides outstanding results on all metal surfaces including aluminium, brass, copper, silver, stainless steel, chrome, pewter and all other bright-work components. Not suitable for use on anodised aluminium.

CRC Metal Doctor is perfect for use in auto, marine, hobby and household applications.
