DPG84 INSULATOR™ PROTECTIVE EYEWEAR

Construction, manufacturing and lawn & garden workers don't have time for goggles that interfere with their headgear or fog up during strenuous tasks. The DPG84 INSULATOR low-profile goggle features a premium anti-fog and anti-scratch coating to help workers see clearly. A soft rubber gasket creates a comfortable seal against splash, droplets, dust, and debris, providing for a D3 and D4 rating. An adjustable cloth headstrap provides a custom, secure fit.
