

A hand-drawn diagram of a vertebral body fracture. The diagram shows a cross-section of a vertebra with a large, irregular fracture line extending through the vertebral body. Labels include "Fracture" pointing to the break, "Vertebral body" pointing to the upper part of the vertebra, and "Vertebral canal" pointing to the central opening. A scale bar at the top left is labeled "cm".

## FACETJUE

A hand-drawn diagram of a facet joint fracture. The diagram shows a cross-section of a vertebra with a fracture line extending through the facet joint. Labels include "Fracture" pointing to the break, "Facet joint" pointing to the joint space, and "Vertebral canal" pointing to the central opening. A scale bar at the bottom left is labeled "cm".
