

CT95

Thermostat

CT95 Thermostat

This thermostat boasts a 12-inch touchscreen with a clear blue backlit display that's easy to navigate. The CT95 also automatically switches to heating or cooling to ensure your comfort settings are managed at all times. Weekdays to weekends, heating or cooling, set your preferences and enjoy. Settings are easy to update as the seasons change.

Competitive Advantages

- Capable of saving 7 days of different settings
- Compatible with Continental's two-stage gas furnaces, it works with your furnace to balance high fire and low fire settings to achieve energy efficiency and an even temperature
- In power outages it automatically switches to battery power to ensure comfort settings are saved

Features and Benefits
