

suma[®] Rinse

A5

Rinse Aid

Economy rinse aid for soft-to-medium water conditions, specially formulated for use in a wide range of warewashing machines. Contains a special blend of nonionic surfactants for rapid spot and streak-free drying.

Features & Benefits

- Low foaming action for more efficient operation
- Gives streak and spot free results
- Ensures quick drying

Applications

- Low foam general purpose rinse additive for machine warewashing

Suma[®] Rinse A5

Rinse Aid

Use Instructions

- Product will be automatically dispensed by the dishmachine dispenser during the machine cycle
- To wash dishes, preflush and/or scrape dishes before washing
- Rack dishes properly and place racked dishes inside dishmachine
- Wash, rinse and sanitize dishes as directed by your Diversey representative
- Remove rack from dishmachine and allow dishes to air dry
- **For Food Plant Use:** Avoid contamination of food during use or storage. Cookware or utensils and other equipment and surfaces subject to direct contact with food must be thoroughly rinsed with potable water prior to re-use.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
